<Full Stack Development of a Hotel Reservation Website>

指導老師：朱學亭 老師

組員：William、Fernando、Azka

The screenshot displays the TAIWANIN Hotel Reservation Website. The main header features the brand name "TAIWANIN" in a large, elegant script font, followed by the text "HOTEL RESERVATION WEBSITE" and "BY : WILLIAM FERNANDO AZKA". The central banner image shows a luxurious hotel lobby with the text "Discover Your Luxurious Hotel" and a "BOOK A ROOM" button. Below this, a promotional message states "Get special offers for a limited time period" and "DISCOUNT UP TO 30%". The website is divided into two main sections: "Explore Our ROOMS" and "Rooms". The "Explore Our ROOMS" section lists three hotel options with their respective ratings and prices. The "Rooms" section highlights "EXCLUSIVE FACILITIES FOR YOUR COMFORT". At the bottom, a call to action reads "Book your dream stay in Taiwan with Taiwanin! Discover luxurious rooms, exclusive facilities, and limited-time discounts. Start your journey today!" and a large orange button says "BOOK NOW !".
